4.Resolutions:

- No1/2011 passing the annual report 2010
- No 2/2011 passing the financial report 2010
- No 3/2011 granting approval for the Board members for 2010
- No 4/2011 granting approval for the Board of Control members for 2010
- No 5/2011 concerning the change in the statute according to the NGO And Volunteering Law from April 24, 2003 and its novel from January 22, 2010.

5. Information on business activity:

TPH does not operate a business.

6. Funds

TPH does not benefit from the National Health Fund. The organisation is fully volunteer. That applies not only to the medical staff but also to other people in the association. Since the demand is growing day by day it requires a lot of effort to provide patients with state-of-the-art equipment. Since the very beginning TPH acquires the funding by organizing charity events, collecting member-fees and receiving goods or financial donations.

As the OPP (NGO for the benefit of society) TPH promotes the idea of 1% tax donation by distributing informational leaflets in institutions and sending them to citizens in the commune of Chojnice.

7. Financial report 2011
